and toddlers to Australia, Shiao Ling Lim, enrolments at centres in Sydney's west have doubled in the past two years.

Shichida Method review: What a mum and a psychologist have ...

Nora: My sister sent her daughter for Shichida. She started when she was slightly above a year. The method trains babies to use their left brain by using flash cards - quite similar to Glenn Doman. They also throw in music and various languages and some sensory play. The "extra" is extra sensory perception, which they believe can be trained.
