Inside The Mind Of A Suicidal Person And How To Help Them

In a state of suicidal thinking, painful emotions flood the person's consciousness, drowning reason, convincing them that their feelings are real. If someone you know has died by suicide, they are not selfishly neglecting the feelings of others. At the time of a serious attempt, they may believe they are leaving others better off.

Inside the Mind of a Suicidal Person - Steve Rose, PhD

Psychodynamic theorists often postulate

Online Library The Suicidal Mind

that suicidal guilt seeks punishment, and thus suicide is a sort of self-execution. But Baumeister's theory largely rejects this interpretation; rather, in...
