The World & Other Places. In Jeanette Winterson's first collection of short stories, we are confronted with characters so at odds with themselves and the world—whether our own, familiar world or one of the author's invention—that it is difficult to truly empathize with any of them. The first story, The 24 Hour Dog, is a lullaby of a tale

The World and Other Places by Jeanette Winterson - an infinity plus review One fine story out of seventeen pieces, most of which resemble the excesses of (hey ho) feasibly talented but as yet hardly promising students at creative-writing evening classes. The strike rate is not bludgeoningly high. The World and Other Places
