Practice theory is a theory which seeks to understand and explain the social and cultural world by analyzing the basic bodily, knowledge based practices that interconnect to form more complex social entities like groups, lifestyles, social fields or entire societies. Practice theory, as outlined by Sherry Ortner, "seeks to explain the relationship that obtain between human action, on the one hand, and some global entity which we call 'the system's on the other". The approach seeks to resolve the

Practice theory - Wikipedia

Theory serves the task of comparing different wars with one another, which leads to similarities of a number of wars and the construction of an ideal type, as Max Weber later on understood this kind of theory; Additionally, Clausewitz maintains that theory has to reflect the difference between theory and practice, which inevitably leads to the ...
