This Kind Of War is an account of the military aspects of the Korean War (1950-1953) with a fair amount of social commentary to go along with it. Fehrenbach addresses the conflict in American society between the social liberalism that the civilian world values and the more Spartan, totalitarian world that the military prefers.

However, "This Kind of War" is still a first class, page-turning historical narrative. Its blunt prose retains its punch. More than that, Fehrenbach's perspective on the war, the U.S. Army, and the United States at mid-century is lucid and utterly prescient, and absolutely worth a first, second, and even third look.

" This Kind of War has been studied by two generations of soldiers. Fehrenbach describes good decisions and bad ones with insight and expertise. But what he does best of all, and what is so memorable, is his eloquent, sometimes painful description of the GIs who must bear the burden of those decisions.
