The Toyota Land Cruiser 100 Series, as with many of the other Series' of Land Cruiser SUVs, came in two variants. The luxury VX, and the more utilitarian, but some say more off-road capable, GX. Of course some market got a cross between them in the GXL, but mostly these were the two variants. Officially though, Toyota though the difference of the two variants large enough to give them each their own Series denomination, with the VX being the 100 Series, and the GX being the 105 Series.
