You are a social worker in a medical intensive care unit. Part of your job is to meet all patients and families within 24 hours of admission to hear any concerns they may have about the plan of care. This morning, you see that Mr. Porter was admitted last night. He is a 64-year-old man with liver disease and acute pneumonia.

Every unit and qualification in the framework will have: A credit value - One credit represents 10 hours, showing how much time it takes to complete. A Level - between Entry level and level 8, showing how difficult it is The credit value will then determine the size of the qualification. There are three sizes of qualifications in the QCF:
