### Where The Body Meets Memory

Intimate and lyrically stunning, Where the Body Meets Memory is a personal journey out of the self and into America's racial and sexual psyche. From the Inside Flap In "Turning Japanese, poet David Mura chronicled a year in Japan in which his sense of identity as a Japanese American was transformed.

### Where the Body Meets Memory: Mura, David: 9780385471848 ...

In Where the Body Meets Memory, Mura focuses on his experience growing up Japanese American in a country which interned both his parents during World War II, simply because of their race. Interweaving his own experience with that of his family and of other sansei-third generation Japanese Americans-Mura reveals how being a "model minority" has resulted in a loss of heritage and wholeness for generations of Japanese Americans.

### **Where the Body Meets Memory: An Odyssey of Race, Sexuality ...**

The present state is where you are now. You exist in this present state. From the moment of conception, you became a human being, that is, a "soul." Your soul is eternal. Scripture teaches us that we exist from conception until death, from death until the Second Coming of Jesus Christ and the General Resurrection from the dead, and then, the New Heavens and the New Earth.
