Why Leaders Lie The Truth

In Why Leaders Lie, Mearsheimer provides the first systematic analysis of lying as a tool of statecraft, identifying the varieties, the reasons, and the potential costs and benefits. Drawing on a trove of examples, he argues that leaders often lie for good strategic reasons, so a blanket condemnation is unrealistic and unwise.

Why Leaders Lie: The Truth About Lying in International ...

They are uncomfortable whenever they tell the truth, while lying makes them feel right. Occasional Liars are those who seldom tell a lie. When they do, they are so blown away by what they said that their guilt overcomes them. These individuals are quick to ask for forgiveness from the individual that they lied to.

The Truth About Leaders Who Lie - Joshua H. Miller

Although lying is widely viewed as reprehensible behavior in ordinary life, it is acceptable conduct in international politics because there are sometimes good strategic reasons for leaders to lie to other countries and even to their own people. Nevertheless, there is actually not much lying between states.
