Wico C Series Service Manual? Morning all, Picked up a Wico C 150 magneto for one of my Wisconsin AEH engines. Paid about \$6 for it and it has some issues with the impulse coupler. I'd like to locate a manual with a parts list and a good exploded parts diagram. I found a diagram on the internet, but its real hard to read.

## **Wico Service Manual01**

A Magneto RX The Wico model A shares many of the same internal parts as the model C, as the points, coil and condenser, used extensively by John Deere for the two cylinder letter series tractors. They shared some of the same problems as they used sleeve bearings that never got oiled and condensers that did not improve with age.

### **Wico XH XHD - russellsnewoldparts.com**

The service manual describes holding the plug wire connector 1/8" away from the chassis or metal engine parts then crank it over looking for a spark. Recall that spark at the plug does not tell the whole story. It takes far more voltage output to jump the gap at the plug under compression with a fuel/air mixture.

### **Wico EK Magneto Service Information - Old Croak**

Wico service manual describes how to do this. The XH and XHD are modern serviceable magnetos and widely used. Parts are readily available and reasonably priced. They are fairly straightforward to service and rebuild well.
