The Commission's Nonprofit Facilities Program is a smart way to save money and maximize your capital campaign. Often, a capital campaign is not enough to cover the total cost of a project—particularly costs related to construction and capital improvements. A bond-backed loan may help you reach your goals sooner and more efficiently.

### **WSHFC | Nonprofit Facilities Financing Program**

Working capital management has gained the attention of industry and academia as an exclusive area of study after liberalization of Indian Economy. Management of working capital sometimes becomes more important than the management of long term funds because the day-to-day operations of any business largely depend upon this source of finance.
