Note that the R7000-1 manual was printed September of 1981...at the end of the R7000's production. I'm assuming that this was the only service manual printed for the entire 3 year R7000 line. Other than the improved tuning mechanism in the R7000-2 there's probably no other changes worth noting, and so no R7000-2 manual exists.
